

# On the Wings of an Eagle

The Songs of St. John's Lutheran School

## 1. On the Wings of an Eagle

Lift, Lift me up on the wings of an eagle  
Soar, Spirit, Soar!  
Lift me high, high above!  
I call to you. My strength renew  
Come fill me with your power  
Lift me up into the sky to fly

You are God, my Lord  
Everlasting you are  
The mighty creator  
Of all things near and far  
My strength is only you  
Your cross and empty grave  
Yours alone the healing hand  
Yours alone the power to save

When I'm weak, O Lord  
When I stumble and fall  
When my soul has grown weary  
And my back's to the wall  
I just call on Your name  
My Holy God on High  
Give me strength so I can run!  
Give me wings so I can fly!

## 2. Living Stones

Jesus Christ is our cornerstone  
He's the rock, He's the solid foundation  
We are building on Jesus alone  
Building up as the people of God

Each of us is a living stone  
Precious stones in the building of Jesus  
In this house we don't stand all alone  
We are one! We're the people of God!

Living Stones! We are living!  
Living Stones! Built on Christ!  
Living Stones! Holy People of God  
Building on the firm foundation  
Living Stones! We are living!

Living Stones! Built on Christ!  
Living Stones! Holy People of God  
Building on the firm foundation of Christ

Jesus, you are our cornerstone  
You're the rock, You're the solid  
foundation  
We are building on your love alone  
Build us up as the people of God

Each of us is a living stone  
We're alive in the love of Jesus  
We are trusting in Jesus alone  
We are His! We're the people of God!

## 3. Yesterday, Today, and Forever

Changing weather, changing shoes  
Changing classes, changing views  
Changing plans for what I want to do  
Changing teams and changing shows  
Changing friends and changing clothes  
Changing all the songs I listen to

But You are the same, changing never  
Your love is the same  
Yesterday, today and forever

Changing schedules, changing rules  
Changing houses, changing schools  
Changing calendars for New Year's Day  
But in the changes I remain  
Within the hand that stays the same  
Within the heart that calls to me by  
name

Nothing in this changing world  
Can ever change the place  
Of that cross lifted up on Calvary  
Now I sing your praises  
For your everlasting grace  
Is working a change in me

Change my mind and change my soul  
Change it all to your control  
Change the things I say to things I do  
Change my selfish ways to love  
Change my thoughts to things above  
Change my heart to trusting only you

#### **4. By the Power of Your Name**

By the power of your name  
By my life I will proclaim  
That your love for me  
has changed my life  
Oh, I am not the same  
By the power of your name  
In your love I will remain  
For you can make me more like you  
Come fill me with your life  
By the power of the name of Jesus  
Christ

I need you, Lord, hear my plea  
Work in me integrity  
In the things I say and do  
Help me say "no" when I should  
Saying "yes" only to good  
Oh, make me more like you.  
Lord, help me live thankfully  
For the gifts you've given me  
Fill my life with praise for you  
Help me be grateful and kind  
Thanking all whose lives bless mine  
Oh, make me more like you

Lord, let your grace flow through me,  
Working generosity  
Your life in me renew  
You give to me all your wealth  
So that I can give myself  
Oh, make me more like you  
Lord, above all, help me love  
And so praise your name above  
By the things I say and do  
Help me to count all things a loss  
But your love upon the cross  
Oh, make me more like you.

Wonderful, Counselor,  
Mighty God, Savior,  
Morning Star, Holy One,  
Lamb of God, David's Son  
Immanuel, Shepherd, Groom,  
Lion of Judah, Empty Tomb,  
Son of God, Son of Man,  
The Rock, the Light, I am who am  
The Way, the Truth, the Life, the Vine,  
The Word, the Bread, the Christ

#### **5. Blessed to be a Blessing**

Blessed to be a blessing  
Blessed to live your love  
Blessed to share with others every  
blessing from above  
Blessed to walk in mercy  
Blessed to light the way  
Oh blessed to be a blessing every day

Oh my Jesus, you have blessed me  
You died for me to take my sin away  
Now you live your life in me  
And the love received is love I give  
away

Oh my Jesus, make me a blessing  
In my work and play, in everything I do  
Oh let your blessing flow through me  
That in seeing me, may others see you

Blessed for living this new day  
A gift from you to give away  
Blessed for sharing  
Blessed for caring  
Blessed for growing  
Blessed for sowing  
Blessed to be a blessing today

#### **7. You Are The Leader**

You are the leader of my soul  
Lead and I'll follow you  
You are the way, the path, the goal  
All that I am, I give to you  
All that you call me to  
To follow you

Two men on a fishing boat  
Not a single fish could they find  
One word and the nets are filled  
Then they leave it all behind  
Oh Lord, you have called me, too  
Your voice resounding in me  
“Leave those nets,  
Come and follow me!”  
Lord, I’ll be your fisherman to follow  
after you  
And walk in the ways that you lead me  
I give you my mind, my heart, my life,  
my love, my soul  
Oh Lord, I surrender control!

One man is collecting coin  
Counting taxes for the king  
Two words from the Master’s lips  
And he abandons everything  
Now he counts his Messiah’s words  
Writes them down for all to read  
Word of God, spread abroad the seed  
Lord, I’ll be your writer,  
Make a Gospel of my life  
Let my words and my deeds be holy  
So others may see in me the Message  
that is true  
And so come to follow you, too!

### **7. The Work of His Hands**

The Work of His hands all around me  
The Work of His hands in all I see  
The Work of His hands in all creation,  
In my home, and family  
The Work of His hands in all my living  
For He has made me who I am  
The Work of His hands in all His giving  
As he works in me His plan,  
Here I stand, all that I am  
The Work of His hands

Every flower and tree and the rolling sea  
Is the work of God above  
From the farthest star to who we are  
It is all a gift of His love  
And he longs to be at work in me

Right from the start  
Within my heart  
That I forever would be  
The work of His hands

When He came to earth,  
In His humble birth  
When He stood with John in the river  
He had come for me, to set me free  
From all my sins to deliver  
For He took the loss, upon the cross  
And his hands for me  
Nailed down for me  
That I forever would be  
The work of His hands

### **8. Blessed Are The Peacemakers**

It’s the push and it’s the shove  
It’s anything but love  
Fighting all our little wars  
It’s the hurtful things we say  
At school, at work, at play  
What is all the fighting for?  
Oh! Oh! I know

When the talking turns to shout  
Left alone or just left out  
Some are feeling that they don’t belong  
Others hurting deep inside  
With tears they’ve never cried  
Oh, why can’t we all get along?  
Hey! Hey! I say  
Blessed are the peacemakers

Blessed are the peacemakers  
They’re the children of our God  
Blessed are the ones who make  
Peace with others for Jesus’ sake  
Blessed are the peacemakers  
They’re the children of our God  
The peace of Christ alive to all the world  
Blessed are the peacemakers.

There’s an answer from above  
The Father in His love  
Sent to us his only Son

Angels at his birth  
Singing peace on earth  
Because of what he had begun  
Ooh! Ooh! It's true

He took away our sin  
To give us peace within  
And peace with God eternally  
But the cross is just the start  
Now it's living in my heart  
And the peace is flowing out of me  
Aye! Aye! That's why  
I wanna be a peacemaker

Blessed are the peacemakers  
Blessed are the peacemakers  
Blessed are the peacemakers  
Blessed are the peacemakers

O Lord, make me a tool  
Of peace within my school  
Peace within my family  
Peace within my church  
Peace in all the earth  
This is what I want to be  
Ooh! Ooh! It's true  
Aye! Aye! That's why  
Hey! Hey! I pray  
Let me be a peacemaker

Let me be a peacemaker  
Let me be a child of God  
Let me be the one who makes  
Peace with others for Jesus sake  
Let me be a peacemaker  
Let me be a child of God  
The peace of Christ alive to all the world  
Let me be a peacemaker  
Let me be a peacemaker  
Let me be a peacemaker

### **9. Go Fish (Spread the Word)**

Got my hook, line, and sinker  
Got my reel and my fishing rod  
But these aren't the gear that I need  
when I fish for God

The only fishing tool I use  
The love of Jesus and the Gospel News  
On a mission to go fishin'  
And I'm fishin' for the kingdom of God.  
He's calling me

Go Fish! Spread the Word!  
Go Fish! Till everyone's heard!  
Go Fish! Talk about Jesus  
Who saves us and frees us  
To go where He leads us  
Go Fish!

Jesus sent His disciples  
Now he's sending out you and me  
To go and spread the Gospel to every  
nationality  
Men and women, boys and girls  
Everyone in the whole wide world  
Gonna tell them about my Jesus  
And the love of God that sets them free  
He's calling me . . .

For God so loved each one of us  
That He gave to us his only Son  
Who died to take away our sins  
And give new life  
To those who trust in Him  
So tell everyone about God's Son  
What He has done for everyone

### **10. Go Fish (Catch the Joy of the Lord)**

Jesus said, Come follow me  
You don't need your nets or boat  
anymore  
I've got a diff'rent job for you  
Now it's people you'll be fishing for

Go Fish! Without hesitation  
Go Fish! Share His word with the  
nations  
Go Fish! In the stream of salvation  
Go fish and catch the joy of the Lord

So when Jesus says, Come follow me  
Don't let anything get in your way  
If someone doesn't know God's love  
Jesus may need you to fish today

### **11. I Want To Let My Light Shine**

I want to let my light shine  
So that ev'ryone can see  
That the things I do  
I do because of what Jesus did for me

When I can't find an answer  
To a problem that I face  
If I don't know which way to go when  
I've got a choice to make  
I just put my trust in Jesus  
Who has set all people free.  
By His perfect life, His sacrifice  
He gives me all I need

Each and ev'ry morning  
Is another chance for me  
To become the one that God has had in  
mind for me to be.  
A reflection of His glory  
Filled with wisdom from above  
My life's a Gospel story now  
I want to share His love

### **12. Celebrate!**

To a broken world made dark by sin  
Jesus came to bring the light again  
A promise fulfilled in the Servant King  
His goodness shines in ev'rything.

So celebrate all that God has done!  
Celebrate! He has made us one!  
Celebrate! We are family!  
Tell the whole world "God is Great!"  
And celebrate!

All around us we can see God's might  
He is with us both day and night.  
Lifting us up if ever we should fall  
Always list'ning whene're we call.

With boundless compassion  
With endless love  
Gifts of the Kingdom rain from above  
Through all generations  
Throughout all time  
Growing together by God's design

### **13. Ready Set Grow**

Ready, set, grow  
To be more and more like Jesus  
Ready, set, grow  
A little closer to my friends  
Ready, set grow  
To serve the world all around me  
It's not a mystery.  
God has a plan for me  
I will be all I can be  
'Cause I'm ready to grow

Lord, let me be patient  
When You plant me like a seed  
In the part of Your creation  
That you see the greatest need  
Let Your love rain down upon me  
And warm me with Your grace  
Help me grow in ev'ry way  
To be Your witness in this place

Keep me rooted in the power  
Of the Word You gave to me  
Let me lift my hands and heart in praise  
Like the branches of a tree  
The gifts that You have blessed me with  
Will be the fruit I share  
Help me make a difference  
And show others that I care

### **14. Run**

You've got to be ready  
When it's time to start  
Focus your mind, stretch your soul  
Train your heart.  
Listen to the wisdom of the ones who've  
gone before  
As you take your place, set you pace  
Know what you're running for

Run! Run with all your might  
Out of darkness into light.  
Run the race that's set before you  
By God, who is always at your side  
Running with you stride for stride  
He will take you to the finish line  
In His good time  
So Run!

Keep your eyes steady,  
Fix them on the goal  
Just stay the course  
You can't change what you can't control  
Following the crowd will get you caught  
up in the pack  
So hold your head high, pass them by,  
no reason to look back

Your race may seem easy  
Or it may be hard  
More hurdles to clear,  
Hills to climb, the end seems so far  
But faith in the Promise will put you on  
the vict'ry stand  
Your crown's been won  
By God's own Son,  
The race is in His hands

### **15. I Will Remember**

I will remember what You have done  
I will remember Father, Spirit, Son  
I will remember You are my God  
And You have called me as Your own  
I will remember Your love for me  
I will remember Calvary  
I will remember  
The Way, the Truth, the Life,  
And all Your promises to me  
I will remember, I will remember

I will remember that You are creator  
I will remember that You made me  
And all of Your blessings  
All of Your gifts to me.  
I will remember  
That You save Your people

They walk through the sea  
Upon dry land  
Walls turn to rubble,  
And giants, they crumble  
You alone are God, the Great I am

I will remember  
That You came to save me  
You died on the cross for all of my sins  
You rose from the grave  
And give life that will never end  
When I am tempted, when I am weary  
When I don't know which way to go  
I will remember  
That You're always with me  
And every truth  
You've taught my heart to know

Help me, Jesus, always to remember  
Help me, Jesus, always to believe  
That even should I forget  
Your love is with me yet  
For You promise You'll remember me

### **16. Glorify**

In our worship we will glorify, glorify  
With all our voices lifted up  
To glorify our Lord  
And in our living we will glorify, glorify  
With ev'rything we say and do  
We praise Him

Glorify the Lord  
Let us lift His holy name on high  
With one heart and one voice  
Exalt and rejoice,  
Unified to praise and glorify  
Glorify

All together we will glorify, glorify  
His gift of peace and unity  
To glorify our Lord  
Love one another now to glorify, glorify  
Living the love of Calvary we praise Him

Glorify the Lord  
Let us lift His holy name on high  
With one heart and one voice  
Exalt and rejoice,  
Unified to praise and glorify

For the cross and empty grave  
For the debt of sin He paid  
For the faith by which we're saved  
And ev'ry promise He has made  
We will glorify as one  
For ev'rything that He has done  
Praising Father, Spirit, Son  
We lift His name on high  
Forever glorify

### **17. I'll Be Your Friend**

When you're down  
And you need someone who cares to  
come around  
Someone to listen to the aching in your  
heart  
Someone to take your part  
Someone to take your hand and lead  
you through  
I'll be there to care, to share  
To walk the road with you  
And I will make this promise now to you

I'll be your friend  
And I'll always be there  
You can depend that I'll never leave you  
And though we may be apart  
You'll stay in my heart  
You can depend till the end  
That I will be your friend

Life is hard  
So many hurts,  
So many ways to break your heart  
And what you need is just a friend to  
stay with you  
A friend to pray with you  
A friend to point the way to better days  
I praise the Lord my God  
For ev'ry precious gift He sends

And I'm praising Him today for all my  
friends.

This is my prayer  
That God will always bless this  
friendship we share  
And that I'll be a friend  
To help you stand up tall  
Forgive you when you fall  
To share the love of Jesus through it all  
So many things I own that will some day  
fade away  
More precious are my friends with me  
today

### **18. Xtreme Faith Xtreme God**

Twelve men stood at the border of the  
promised land  
Frightened by what faced them  
There were ten who ran  
Only Joshua and Caleb stood their  
ground that day  
For them there was no turnin' back  
God would find a way

It takes Xtreme faith in an Xtreme God.  
If you're gonna go the distance  
Up against all odds  
If you're gonna take a stand  
If you're gonna do what's right  
Put your trust in Jesus  
And then hang on tight

When all those who feared the king  
heard the trumpet call  
They took the easy way and to their  
knees they would fall  
But Daniel never gave in  
He didn't really care  
If he found himself in the lion's den  
He knew God would be there

When you find that you are tempted  
Just to play along  
Or blindly follow the crowd  
Because you want to belong

If takes a lot of courage  
To step out on your own  
But if God is on your side  
You never walk alone

### **19. From the Depths**

“Use me, Lord”  
Are such easy words to say  
When life is good  
And blessings flow my way  
But when You call me to proclaim  
In my deepest, darkest pain  
I know my strength alone  
Won't get me through

From the depths I cry to You  
Show me, Lord, what you want me to do  
Lift me up and help me stand  
When I fall, take my hand  
And carry me  
When I'm too weary to go on  
Touch my heart and calm my fears  
Let me know that You are near  
Wrap your arms around me tight  
It's gonna be alright

Let me kneel with You in the Garden  
Help me pray the words that You prayed  
If there is no other way  
Help me not to be afraid  
Not my will, Lord, but Your will be done
