Psalm 145

## Verse 1

I will praise Your name, O God, my King  
Every day I'll lift my voice and sing  
Your mighty acts and wonders  
Your cross and empty grave  
Your goodness and compassion  
And Your awesome power to save

## Verse 2

You are gracious, Lord, and good to all  
You are near to hear us when we call  
Fulfilling the desires  
Of those who trust in You  
I celebrate Your righteousness  
In everything You do

## Chorus

Celebrate! Celebrate Your goodness!  
Celebrate! Celebrate Your love!  
I will praise Your name among the nations  
And celebrate the wonders You have done  
Celebrate

## Verse 3

I will tell the world about Your deeds  
I will speak Your love in all their needs
