

Gifts of Love

James 1:17

Chorus

These Gifts of love that you've given me
These gifts of love all around I see
These gifts of love and I do believe
That you love me
That you love me

Verse 1

Thank you for the sun
Whose healing rays pour down
Your shining glory over all the earth
Thank you for the stars
You fashioned for the night
That reveal to us how powerful you are
And I just want to say thank you
For these gifts of love

Verse 2

Thank you for our food
Our nourishment each day
Give us this day our daily bread
Thank you for our loved ones
Our family and friends
Who show us just how loving you are
And I just want to say thank you
For these gifts of love

Bridge

Oh I want to touch the hand that's given me
All of these blessings great and small
From the beginning of each day
To the gift of life that'll never fade away

Verse 3

Thank you for your Son
Who came and died for us
He is the way the truth and the life
Thank you for his rising
Conquering the grave
Now I know your love will never change
And I just want to say thank you

For these gifts of love
