

Here We Gather

Chorus

Here we gather by Your grace
You are present in this place
With the angels we sing praise
Holy Holy
Here we stand before Your throne
All Your blessings here we own
All Your mercies here made known
Holy Holy

Verse 1

Open up my ears that I may hear my Shepherd's voice
Send me Your Spirit Lord
That in Your Word I may rejoice
For Your Word sets me free
It is life and light for me
It is Your power in this hour
As You shower down Your grace and holy love.

Verse 2

Here Your body and Your blood
For me in bread and wine
Here You come to me
And make my heart Your holy shrine
In the cup, in the bread
I am healed and I am fed
Here is Your power in this hour
As You shower down Your grace and holy love
