The promise of new life is coming true

The stone is rolled away

No more night, here comes the light!

2nd Chorus

Darkness in this soul of mine
Darkness deep inside of me
I stand before a mirror, my sin staring back at me
Locked inside a prison tomb of guilt and misery
The stone that holds me in is weighing down on me
But the Lord has heard my cry
And as the light draws nigh
New life He sends into my aching soul
He sets my spirit free
The Lord who rose for me
New life He's given, my sins forgiven
