Verses

Bm A
I come O Savior to your table
C G
For weak and weary is my soul
Bm A
You Bread of Life alone are able
C A
To satisfy and make me whole

Restless am I and heavy laden
With sin my soul is sore oppressed
Receive me graciously and gladden
My heart that here is now your guest

Your heart is filled with fervent yearning
That I a sinner come to you
I Lord to your sure mercy turning
My ancient bond of faith renew

**In hope I come to your high table
Your testament of deepest love
For by its grace I now am able
To know the heart of God above**

**What great gift can I inherit?
It is faith's bonded solid base
It is the strength of heart and spirit
The covenant of hope and grace**

**Your body crucified O Savior
Your blood which once for me was shed
These are my life and strength forever
By them my hungry soul is fed**
