

Lord, Have Mercy

Kyrie

In peace

We pray to You, Lord

Lord have mercy

For Your peace and presence

Love and mercy for all

We pray to You, Lord

Lord, have mercy

For Your reign in the whole world

For Your life in our lives

And Your presence with us now

We pray to You, Lord

Lord, have mercy

For all of Your people who gather to lift You praise

We pray to You, Lord

Lord, have mercy

Help us and heal us, save us and bless us now.

Amen.
