

My Saving God

Romans 3:19-28

Chorus

You are my saving God
And I lift my voice to praise your holy name
Your grace has saved and set me free
You wash away my sins
And give to me a brand new heart inside
And now I live eternally

Verse 1

I am a sinner, Lord
I've sinned against Your Word
I've fallen short of what Your Law demands of me
But here without a fear I come before Your face
It's nothing that's in me
But the wonder of Your grace!

Verse 2

And now I'm justified
Because You came and died
Because You took the guilt of all my sins away
I'm justified, but not by anything I do
I'm saved by faith alone
By faith alone in You!

Verse 3

For me, a saving plan
For me, became a man
For me, upon the cross Your arms held open wide
Such love You pour upon a sinner such as I
Such love to raise me
From the grave to You on high!
