

We Are Chosen

1 Peter 2:9

Chorus

We are chosen
A Royal Priesthood, Holy Nation, People of God
We are chosen
Out of darkness into Your great light
So we will proclaim
Living to praise Your name
Showing Your love to all the world
We are chosen

Verse 1

You've chosen us
By Your mercy and grace
You've chosen us
All our sins washed away
For You died for us
You rose up from the grave
To make us the people of God.

Verse 2

You've chosen us
To be sent to the world
You've chosen us
To be a blessing of love
For we are Your voice
We are Your hands and feet
Living Your love for all the world

Bridge

For You died for us
You rose up from the grave
To make us the people of God.
