

# **We Are Chosen**

1 Peter 2:9

## Chorus

We are chosen  
A Royal Priesthood, Holy Nation, People of God  
We are chosen  
Out of darkness into Your great light  
So we will proclaim  
Living to praise Your name  
Showing Your love to all the world  
We are chosen

## Verse 1

You've chosen us  
By Your mercy and grace  
You've chosen us  
All our sins washed away  
For You died for us  
You rose up from the grave  
To make us the people of God.

## Verse 2

You've chosen us  
To be sent to the world  
You've chosen us  
To be a blessing of love  
For we are Your voice  
We are Your hands and feet  
Living Your love for all the world

## Bridge

For You died for us  
You rose up from the grave  
To make us the people of God.
