

# Thankful Hearts

1 Thessalonians 5:16-18

## Verse 1

Everything I have  
Everything around me  
All that I am  
My body and my life  
A family that loves me  
Friends who really care  
Blessings surround me everywhere

## Verse 2

Everything we have  
These blessings around us  
Are given by Your hand  
Given in Your love  
But still we lift our prayer to You  
To give us one thing more  
To give us hearts filled with gratitude

## Chorus

Give us thankful hearts to worship You  
Thankful hearts for all You do  
Give us thankful hearts  
For You, O Lord are our Savior  
Give us thankful hearts for all Your love  
And ev'ry good gift from above  
Give us thankful hearts  
Thankful to You, O Lord.

## Verse 3

Thank you, Jesus  
For dying and rising  
To take away our sins  
To give eternal life  
For giving us Your Word  
And answering our prayers  
And promising in hard times You'll be there.

Chorus

Give us thankful hearts to worship You  
Thankful hearts for all You do  
Give us thankful hearts  
For You, O Lord are our Savior  
Give us thankful hearts for all Your love  
And ev'ry good gift from above  
Give us thankful hearts  
Thankful to You, O Lord.

Bridge

Nothing can separate us from You  
So even when life gets hard  
We can still thank You

Chorus

Give us thankful hearts to worship You  
Thankful hearts for all You do  
Give us thankful hearts  
For You, O Lord are our Savior  
Give us thankful hearts for all Your love  
And ev'ry good gift from above  
Give us thankful hearts  
Thankful to You, O Lord.  
Give us thankful hearts  
Thankful to You, O Lord.
