

Celebrate!

Verse 1

To a broken world made dark by sin
Jesus came to bring the light again
A promise fulfilled in the Servant King
His goodness shines in ev'rything.

Chorus

So celebrate all that God has done!
Celebrate! He has made us one!
Celebrate! We are family!
Tell the whole world "God is Great!"
And celebrate!

Verse 2

All around us we can see God's might
He is with us both day and night.
Lifting us up if ever we should fall
Always list'ning whene're we call.

Verse 3

With boundless compassion, with endless love
Gifts of the Kingdom rain from above
Through all generations, throughout all time
Growing together by God's design
