

I Want To Let My Light Shine

Matthew 5:16

Chorus

I want to let my light shine
So that ev'ryone can see
That the things I do
I do because of what Jesus did for me

Verse 1

When I can't find an answer to a problem that I face,
If I don't know which way to go when I've got a choice to make,
I just put my trust in Jesus, who has set all people free.
By His perfect life, His sacrifice,
He gives me all I need.

Verse 2

Each and ev'ry morning is another chance for me
To become the one that God has had in mind for me to be.
A reflection of His glory filled with wisdom from above
My life's a Gospel story now.
I want to share His love.
