

Look Up!

Psalm 121

Verse 1

I'm down about the world around me full of trouble
Down because I have to stay inside my bubble
Down because there are so many things I can't do
Down about so many people who are hurting
So many unemployed, our future so uncertain
And I'm down about my friends that I can't even be with now
Oh I need help and I need strength
For the living of these days of so much change
Oh where – Where does my help come from?

Chorus

Look Up! To God above
Look Up! To the God of love
Look Up! To his promises
His love and mercy never ends
Look Up! He's watching over me
Look Up! Protecting constantly
Look Up! I'm covered by His grace
Until forever when I see His face
Look Up!

Verse 2

I lift my eyes to the hill of Calvary
Where my Jesus gave His life for you and me
And He's given me a hope that nothing in this world can take away
He's watching over me every day and every night
Turning fear into faith and darkness into light
All I know about the future is that He holds it in His hands
Oh I have help and I have strength
For the living of these days of so much change
Oh where – Where does my help come from? (**chorus**)

Bridge

I have told you all these things
That in me you may have peace
For in this world you will have trouble
But I have overcome the world!

Verse 3

He won't let my foot slip; He won't let me fall
For the one who watches over me never sleeps at all
He's my shade, He's my shield, in the bright sunlight
And in the glow of the moon in the middle of the night
Even though there may be trouble
Even though there may be tears
I will trust in the One who takes away my fears
For He will keep me from all evil
He will keep me in His grace
Until the day of resurrection when I see Him face to face!
Oh I have help and I have strength
For the living of these days of so much change
Oh where – Where does my help come from?

Chorus

Look Up! To God above
Look Up! To the God of love
Look Up! To his promises
His love and mercy never ends
Look Up! He's watching over me
Look Up! Protecting constantly
Look Up! I'm covered by His grace
Until forever when I see His face
Look Up!

Where does my help come from?
My help comes from the Lord
