

Xtreme Faith Xtreme God

Verse 1

Twelve men stood at the border of the promised land
Frightened by what faced them, there were ten who ran.
Only Joshua and Caleb stood their ground that day.
For them there was no turnin' back.
God would find a way.

Chorus

It takes Xtreme faith in an Xtreme God.
If you're gonna go the distance up against all odds.
If you're gonna take a stand.
If you're gonna do what's right.
Put your trust in Jesus and then hang on tight.

Verse 2

When all those who feared the king heard the trumpet call
They took the easy way and to their knees they would fall
But Daniel never gave in.
He didn't really care.
If he found himself in the lion's den, he knew God would be there.

Verse 3

When you find that you are tempted just to play along
Or blindly follow the crowd because you want to belong
It takes a lot of courage to step out on your own
But if God is on your side you never walk alone.
