

# Better Together

2 Corinthians 13:11

## Verse 1

When God the Creator reached out His hand  
Took up some clay  
And made the first man He said  
It's not good for him to be alone  
We need each other gathered here in this place  
For walking this road  
For running this race so we  
can be all that God has called us to be  
I need you and you need me

## Chorus

We're better together  
Together as one  
Made one in the love of Jesus the Son  
We're better together  
One body are we  
One vineyard  
One building  
We're one family  
Love one another  
Sisters and brothers

## Verse 2

It's all about Jesus and what He has done  
He died and He rose  
So we can be one in Him  
One family together  
So this is the life He calls us to live  
To help and to serve  
To care and to give our love

Loving one another  
The love and peace of God in you and me

**Bridge**

We are one  
Though we are many  
We are the body of Christ
