

Here is Water

Acts 8:26-40

For Soairse

Verse 1

He had worshipped at the temple
And was making his way back home
Where he oversaw
the treasures of his queen.
Riding in his chariot
Reading the prophet's words
But not understanding what they mean.
Then a man ran up to him
And said, "Let me explain:
The prophet wrote about a man
And Jesus is His name!
Like a lamb led to his death
For all our sins He died.
And when the man heard the news
And saw water, this he cried:

Chorus

Here is water
What can stand in the way
Of being baptized here today?
Here is grace and mercy, love and life
In the name of Jesus Christ
Here is water
And here is the Word
The love of God for you assured
Here is new life for you
Beloved of the Father
Here is water

Verse 2

All praise and thanks to Jesus
As we bring to Him this child
For Him to bless and call her as his own
To place His name upon her heart
And wash away her sin
And hold her until He calls her home
For in the water and the word
He pours blessing from above
Grace and mercy, hope and life
Forgiveness, peace and love
For the lamb for her has bled
For her sins He died.
And now today He draws near
With arms held open wide

Ending

May the Lord bless and keep you
The road rise up to meet you
The wind at your back
The sun warm on your face
May the Lord walk beside you
His love always to guide you
Full of hope, full of joy
For all your days
Amen
